	Halal Center Quality Certification
	ISO 22000 & HACCP Logo Usage Policy (HCQC/03/46)

Halal Center Quality Certification, hereafter referred to as HCQC grants the right to use the Certificate and Certification Mark to the certified clients, hereafter referred to as the licensee, after successfully obtaining the Certificate of Registration.

Use of Certificate of Registration:

All Certificate's issued by HCQC shall always remain the property of HCQC. In normal cases; the certificates are valid for a period of 3 years from the date of issue, subject to the satisfactory surveillance assessments. In any case, the validity of the Certificate is indicated in the Certificate itself. Certificates are NOT transferable. Display of the Certificate is permitted only at the location applicable to the certified scope of supply. The certificate shall not be used to imply certification of any location other than that detailed on the certificate.

Management System Certificate shall not be used in any way to imply product approval. The certified customer may advice the HCQC of any changes which may affect the scope of the supply. Changes in location of the customers shall be intimated to the HCQC and an additional surveillance assessment shall be carried out to ensure the continuing compliance with the requirements.

A certified Customer having multi sites and not all sites are covered within the scope of the certification; the Customer shall ensure that necessary disclaimers are stated when a common document pertaining to all the sites are issued.

Use of Certification Mark:

HCQC shall issue the Certification Mark for use by the customer under the terms and conditions detailed in this document. Depending on the scope of the Certification, separate marks are issued. The Mark shall not be used in any way which will mislead the reader about the status of the Certification. The Mark shall be displayed only in the appropriate form and colour as provided by HCQC.

1. The colour of the Mark varies depending on the type of the Certification,
2. The standard indicated within the mark denotes the Certification standard,
3. The normal dimensions of the Mark are indicated in the Figure (1). The certified customers can change the size of the logo provided, the original proportion between the height and width shall be maintained.
4. The Certification Mark shall only be used in conjunction with the Customer's Name.
5. The Mark shall not be displayed in a more prominent way than the logo of the Certified Customer.
6. The Mark shall not be used in Laboratory test, Calibration or Inspection reports.
7. The Mark may be used in stationeries such as printed letter heads; advertising brochures etc.
8. The Mark shall not be used on building; flags; product packing; directly on products or in any other way that may be interpreted as denoting product conformity in cases, where only the management system is Certified.
9. The Mark shall not be used in any way to imply product approval nor on documentation such as test certificates; and certificates of conformity.
10. The Certified Customer shall upon reasonable notice, discontinue any use of the Mark which is considered to be unacceptable to the HCQC.
11. Upon termination of the Certification, for whatever reason, the customer shall discontinue all use of the Marks immediately.
12. The HCQC may provide the Mark along with the Accreditation Body's mark, in which case, the customer shall ensure that the Mark in no way to state, imply or suggest that the Accreditation Body accepts the responsibility for the accuracy of the Certification / Inspection decisions covered by the scope of the certification.
